NOTICE TO NEW BIDDERS

Our Mail Auction Sales Are Conducted in the Following

1. Bids are entered in the order received; if identical bids are received, the first bidder is awarded the lot. **SEND BIDS AIRMAIL—IT PAYS.**

2. The highest bidder on the date of the sale is awarded the coin at a slight advance over the second highest bidder. **Bids you send in are the maximum you are willing to pay for the coin. WE, AS YOUR AGENT, TRY TO BUY THE COIN AS LOW AS THE NEXT HIGHEST BID WILL ALLOW.**

3. Valuations placed in the auction catalog are catalog prices, prices generally asked by dealers when the coin is in stock, or prices generally realized at auctions.

ANY COIN WHICH IS NOT AS REPRESENTED MAY BE RETURNED WITHIN FIVE DAYS FROM DATE OF RECEIPT FOR FULL REFUND. YOU TO BE THE SOLE JUDGE AS TO CONDITION. YOU MUST BE SATISFIED. No, you won't receive a nasty letter for returning a coin—instead you will receive a letter thanking you for calling attention to the error made in cataloging. While we try to describe coins as accurately as possible, it is inevitable that an occasional error is made in the cataloging of thousands of coins each month. Whenever this happens, we want it called to our attention to help prevent future errors.

The coins will be on display the day of the sale at our offices and can be seen by appointment, any day prior to the sale.

If you are not interested in these sales, won't you advise us so we may discontinue sending you catalogs.

IS THIS YOUR FIRST AUCTION CATALOG?

11th EDITION GUIDE BOOK AND 18th EDITION STANDARD CATALOG
USED IN CATALOGING THIS SALE

Proof coins, branch mints 1892-1940 unc., and currency seem to be rising the most rapidly at present with most bringing close to listed values and a great number bringing even more. Many are rising from month to month with a number "just not obtainable." The coins most in demand will have the greatest number of bidders and with the law of supply and demand working, these coins keep setting new records.

Occasionally a collector writes us asking why our estimated values in some instances are higher than the catalog listing. This occurs when the demand is so great and the supply so small that new records are set whenever these coins come upon the market. If one will take a few moments to reflect, he will understand that it takes several months to compile the necessary information before the catalog can be published, therefore, it is inevitable that the catalog listing will be under the prevailing market price on the items in popular demand at the time of the publication. **The estimated prices are entered only after careful examination of the results in our past sales which reflect the actual and not theoretical value. (PLEASE NOTE THAT MANY OF THE ESTIMATES ARE CATALOG VALUE ONLY. MANY OF THE GOLD COINS, SILVER \$1, WASHINGTON QUARTERS, ETC. ARE ESTIMATED AT CATALOG.)** in the final analysis, you the collector, are the one who sets the price.

BIDS ARE RECORDED AS FOLLOWS: Each bid sheet is given a number as it comes in, and the bids are recorded. In the event of identical bids, the first bidder receives the lot. At the last day of the sale, the books are closed with the highest bidder on each lot being awarded the lot at an advance of not over 5% above the next highest bidder. For illustration—the two highest bids received on a lot may be \$17 and \$20. The highest bidder who bid \$20 would receive the lot at \$17.25. We act as your agent and use your bids as a limit—not as a final bid unless we are forced to do so to obtain the lot. We accept unlimited bids which generally assures the bidder of obtaining that lot regardless of what the highest bid may be. Where the lot is bringing far more than we believe it is worth or in the event of two unlimited bidders on the same lot, we notify the unlimited bidders by phone or wire, if necessary, in order to obtain a fixed limit to the bid. Even tho auction purchases are supposed to be final, we do not want you to keep any lots which you believe are improperly described. We endeavor to treat our customers as we would wish to be treated. Coin collecting is a personal hobby which makes life a little more pleasant. We try to keep it on a friendly basis and value the many friends we have made thru the years. If you have any complaints, we want to hear them as well as any compliments.

**YOUR SUCCESSFUL BIDS WILL INSURE YOUR RECEIVING
SUCCESSIVE CATALOGS WITHOUT INTERRUPTION.**

BARGAINS GALORE

In every sale, some lots go at "bargain prices." May we suggest that in addition to bidding on those lots you "really want," you place nominal bids on those lots that "you might buy if they went at bargain prices." While you may not obtain many of these "bargain lots," yet in every sale you may pick up some real bargains.

Sincerely,

A. M. KAGIN and PAUL KAGIN.

YOU MUST BE SATISFIED

Our Sales Are Cataloged With You in Mind. If you have any suggestions, complaints, compliments (yes we receive some now and then), we want to hear them. Having cataloged over two hundred successful coin auctions, we believe we are qualified to advise and help you with your numismatic problems. No, we don't "know-it-all" but we do know where to obtain the information we don't have.

We have a number of want lists on hand for the scarce and rare United States coins and currency. Our average commission for obtaining these specimens is only 10 per cent, therefore we believe we can pay the top price for your choice and scarce pieces, no matter how rare. Don't you think it is worth a 6¢ airmail stamp to find out what we would pay for your outstanding pieces? naturally we buy collections, too.

SOMETHING NEW HAS BEEN ADDED

We wish to call your attention to the new service extended as per the bottom of the **bid sheet**. After receiving requests to apply the amount saved in the awarding of successful bids below the bids authorized we decided to avail this service to all of our clients. It is often exasperating to lose a lot by a few nickels when the amount saved on the successful bids would have been sufficient to increase the original bid to the point necessary to receive the lot. Check the bottom of your bid sheet.

\$3 GOLD

Quite popular with new records being set nearly every time offered. No doubt this will be reflected in substantial advances in the new Guidebook coming out in June. This advance is long overdue as most of the dates had an issue of only 1000 to 4000 specimens. This series should continue to prove a good investment, both financially and in satisfaction.

1—1854 PROOF WITH ORANGE TINT, ONLY YEAR WITH SMALL "DOLLARS." ONLY 15 ISSUED.. OF GREATEST RARITY. CATALOG IN STANDARD CATALOG AT \$ 900.00

2—1854-D THE CHOICEST SPECIMEN OF THIS RARITY WE CAN RECALL HANDLING. Only the barest friction on the highest points. THE ONLY DAHLONEGA MINT \$3 GOLD ISSUED. Of the 1120 originally issued, we doubt if more than 50 or so specimens have survived the melting pot, jewelry pieces, etc. This is further strengthened by the infrequency of its appearance. Missing in a number of collections. ONE OF THE MOST UNDERVALUED, IF NOT THE MOST UNDERVALUED DATE IN THE SERIES. With records over \$400 for inferior specimens, this choice one should bring over \$ 500.00

- 3—1854-O Fine and sharp. ONLY NEW ORLEANS MINT \$3 GOLD.
Small "Dollars." Records \$65 to 75.00
- 4—1855 TYPE II, LARGE "DOLLARS," very fine and sharp. 55.00
- 5—1855-S Very fine and sharp. SCARCE. We note the standard catalog catalogs this date to \$125.00 for unc. With only 6,600 issued for this, the first year of the San Francisco mint, we believe the great demand for this date may well send it to 100.00
- 6—1856 Very nearly uncirculated. Records for unc. over 75.00
- 7—1856-S Small s, very good. Scarce. Catalogs fine. 47.50
- 8—1856-S Large S, fine. Should now bring over 50.00
- 9—1857 Extremely fine. Records for unc. over 75.00
- 10—1857-S Extremely fine. SCARCE. Cat. (stand.) unc. \$100 but have seen one recently priced 135.00**
- 11—1858 PROOF that has been cleaned, has been rubbed in the field during the process, slight friction on cheek caused by slide of album. We note the standard catalog lists proofs at \$500.00; this one worth about 2/3 the catalog value.**
- 12—1859 Appears to have been struck as a PROOF but now retains only about 50% of the original proof surface. While the standard catalog lists this date at \$350.00 in proof, this specimen is only worth a fraction of that value.

|---|--------|
| 13—1860 Extremely fine. SCARCE. It is interesting to note that this date, with an issue of only 7,155 is considered only SCARCE in the \$3 (because of so many smaller issue dates) while in any other gold series, it would be considered RARE. Records for unc. over..... | 80.00 |
| 14—1860-S Very nearly uncirculated with luster. THE SECOND RAREST "S" MINT \$3 (except for the impossible 1870-S. Records for unc. over | 100.00 |
| 15—1861 Here's one someone tried to "improve." It has some proof-like surface and may well have been struck as a proof. At any rate, it now has a cleaned appearance. The standard catalog lists that date in proof at \$275.00; what it will bring, your guess would be as good as ours. | |
| 16—1862 Very fine with the reverse extremely fine. Only 5,785 issued. Should now bring over | 70.00 |
| 17—1863 PROOF WITH ORANGE PATINA. ONLY 39 ISSUED. While not the equal of the one in our February sale that brought \$355, nevertheless it should bring a price in keeping with its standard catalog value of | 275.00 |
| 18—1864 Very nearly uncirculated with luster. ONLY 2,608 ISSUED. Undervalued in keeping with its true rarity. Only catalogs \$100 in standard catalog but present market is over..... | 125.00 |
| 19 1865 PROOF WITH ORANGE PATINA BUT CLOSE EXAMINATION WITH A GLASS SHOWS A FEW MINUTE PINPOINT NICKS IN FIELD. ONLY 25 WERE ISSUED. CATALOGED IN STANDARD CATALOG AT | 375.00 |

| 22—1868 BRILLIANT PROOF. ONLY 25 ISSUED. CATALOGED (STANDARD) AT ONLY \$250.00 WHICH SEEMS "TOO LOW" IN KEEPING WITH ITS RARITY. SHOULD BRING WELL OVER..... | 300.00 |
| 23—1869 PROOF WITH ORANGE PATINA. ONLY 25 ISSUED. CATALOGED IN STANDARD CATALOG..... | 225.00 |
| 24—1780 Extremely fine and sharp. ONLY 3,535 ISSUED. Cat. \$95 (stand.) for unc. but present market closer to..... | 125.00 |
| 25—1871 PROOF but fields rubbed. ONLY 30 ISSUED. Cat. (stand.)..... | 275.00 |
| 26—1872 PROOF that has seen better days. Shows friction but still retains considerable proof surface. ONLY 30 ISSUED. Many proofs, particularly in gold, were "spent" in the early days due to small demand and small premium. In fact, around 30 years ago, proof \$20 gold could be purchased at \$21 to \$22. Catalogs in standard catalog at..... | 275.00 |
| 27—1874 Very nearly uncirculated. Catalogs unc..... | 60.00 |

| 28—1877 PROOF THAT HAS SEEN BETTER DAYS , some rubbing on cheek and hair, slight rubbing in field, pinpoint edge nick. ONLY 20 ISSUED. Catalogs (standard)..... | 400.00 |

29—1878 Brilliant uncirculated.....	65.00
30—1879 ORANGE PROOF. ONLY 30 ISSUED. CATALOGS (STAND) \$150. BUT PRESENT MARKET CLOSER TO	200.00
31—1880 ORANGE PROOF. ONLY 36 ISSUED. In great demand since only 1,036 regular strikes were issued. The standard catalog valuation of \$150. is much too low in view of the strong demand for this date. Should bring at least	225.00

32—1881 BRILLIANT PROOF. VERY RARE. In fact, in point of total number issued of each date, THIS IS THE FOURTH RAR- EST DATE OF THE SERIES. One of the most undervalued dates in the entire series. Constantly setting new records (when of- fered). Several records around \$450; the specimen in our Feb- ruary sale brought \$460.00; should now bring over.....	500.00
---	--------

33—1882 Variety with 2 OVER 2 in date, PROOF WITH SOME PA- TINA, some dullness in field. This major variety is not listed in the catalog altho it does list the regular 1882 in proof (standard) at \$150; this variety should list at least	200.00
34—1883 BRILLIANT PROOF. RARE. With a regular coinage of only 940, this date is in great demand. UNDERVALUED IN KEEP- ING WITH ITS TRUE RARITY. The standard catalog recognizes this fact by listing this date at \$160. in italics indicating that due to rarity and demand, this coin could (when offered) bring over	225.00
35—1885 ORANGE PROOF. RARE. With a regular coinage of only 910, this date is in even greater demand than the above. Also cataloged in italics at \$160. in the standard catalog signifying that due to rarity and demand, this coin (when offered) could bring over	225.00
36—1886 ORANGE PROOF. RARE. Only 1142 regular coinage issued making this date in great demand. Cataloged in standard catalog at \$140. in italics due to rarity and strong demand. The last speciman to appear in our auctions (February) brought \$190; this one should now bring around	210.00
37—1887 ORANGE PROOF, tiny nick. RARE. Catalogs (stand.) \$125. but the specimen in our February sale brought \$137.50; should now bring closer to	175.00
38—1888 BRILLIANT PROOF. VERY RARE SO CHOICE. SUPERIOR TO THE ONE IN OUR FEBRUARY SALE WHICH BROUGHT \$137.50; SHOULD NOW BRING CLOSER TO	175.00
39—1889 ORANGE PROOF, pinpoint nick. ONLY 129 ISSUED. Last year of \$3. Abolished at the same time as the 3c piece. Catalogs (stand.) \$140 but records around	175.00

\$1 GOLD

Very popular and rapidly rising in value (possibly because there are no "impossible" coins in the series). While a number are rather difficult to obtain, they are all available over a reasonable length of time. We look for a rather marked advance in values in the new Guidebook coming out in June. Please keep in mind the popularity of these small gold coins as jewelry pieces which explains the rarity of many dates out of proportion to the amount issued.

40—1849 OPEN WREATH, variety with Small Head; L (for Longacre the designer of the coin—similar to 1864 1c without and with L) on truncation of bust. A beautiful specimen so choice that it was acquired as a proof. The four major varieties of 1849 are now listed in the standard catalog. Have seen specimens similar to this priced at over	250.00
41—1849 Small Head, no L, very fine. SCARCE. Catalogs (stand.)	45.00
42—1849 Large Head, L, brilliant choice prooflike specimen. So choice it should be worth at least	40.00
43—1849 Large Head, NO L, very nearly uncirculated. RARE (AS YET) UNLISTED MAJOR VARIETY. Should be worth at least	60.00
44—1849 CLOSED WREATH, uncirculated with yellow tint. Cat. (guidebook)	32.50
45—1849-C Closed Wreath, very fine obverse and nearly unc. reverse. UNDERVALUED IN KEEPING WITH ITS TRUE RARITY. Cat. (stand.) unc. \$135; records for this condition around	100.00
46—1849-D PROOFLIKE with usual peculiar striking characteristic of the Dahlonega mint. RARE SO CHOICE. Cataloged in standard catalog at \$75 in italics due to rarity and demand. This remarkable specimen should be worth closer to	150.00

48—1850 Very good. Catalogs fine.	13.50

\$2½ GOLD

We have noted a very sharp rise in values the last year or two in this series, particularly in the scarcer dates. Judging from the increasing demand, price advances during the coming year should be at an even greater rate of increase. While the silver and minor coins have advanced several thousand percent the last 20 years or so, gold has generally advanced only moderately. Now the pendulum has swung the other way, and gold has started the sharp advance to catch up with the silver and minor coins. We believe present day values on this series will be as outmoded in a year or two as prices of two years ago now seem ridiculously low.

117—1804 ERROR REVERSE WITH 14 INSTEAD OF 13 STARS similar to 10c of this year. Why the catalogs list both varieties of the 10c and not of the \$2½, we do not know. No doubt, both varieties will be listed in future editions. PROOFLIKE WITH ORANGE TINT. A REMARKABLE SPECIMAN OF THIS GREAT RARITY. By a strange coincidence, we had a specimen in the virtually complete collection of \$2½s which appeared in our April sale. That specimen was "obverse a sharp very fine or about extremely fine and the reverse definitely extremely fine." That specimen was valued at \$500; certainly this greatly superior one should be worth around.....\$1000.00

118—1806 OVER 4, 8x5 OBVERSE STARS, Uncirculated with orange patina, eagle's head (as usual) is not struck up as sharply as the balance of the coin. A choice specimen of a coin difficult to obtain in first-rate condition. Far superior to the specimen in our April sale valued at \$500; this rarity is not listed in better than v.f. (cat. stand. \$225) in the standard catalog; should be worth closer to.....\$ 600.00

119—1807 7x6 OBERSE STARS, BRILLIANT PROOF. A magnificent specimen with full proof surface on obverse and reverse. No doubt one of the few early "presentation pieces" occasionally encountered. **AN OUTSTANDING RARITY, AND BY FAR THE CHOICEST SPECIMAN WE CAN RECALL HANDLING IN OUR MORE THAN 25 YEARS AS PROFESSIONAL NUMISMATISTS.** We are tempted to call it "unique in this condition," but since have not seen all the specimens in existence, we will refrain from doing so. In far greater rarity in this condition than the 1863 which catalogs.....\$1300.00

120—1821 REDUCED SIZE with "SQUARE" HEAD, Prooflike but shows rubbing in fields. Superior to the specimen in our April sale which was valued at \$250; perhaps this one will bring closer to 275.00

121—1826 OVER 25, BRILLIANT PROOF altho not quite a gem. Of the 760 specimens originally issued 132 years ago, the editor of the standard catalog estimates that only about 15 to 18 still exist (high rarity 6—rarity 6 has only 13 to 30 specimens). **UNDOUBTEDLY, THIS IS ONE OF THE CHOICEST OF THE FEW KNOWN SPECIMENS.** Far superior to the extremely fine specimen in the virtually complete offering (only 3 missing from the complete collection of \$2½) in our April sale. **ONE OF THE MOST UNDERVALUED DATES IN THE SERIES.** The April specimen was valued at \$600. This "PRESENTATION PIECE" should certainly be worth over.....\$1000.00

- 122—1829 DIFFERENT TYPE with coarser head, BRILLIANT PROOF. RARE, PARTICULARLY SO CHOICE.** The standard catalog lists unc. \$165 (prices compiled a year ago in May 1957); this **CHOICE PROOF** should certainly be worth at least..... 300.00
- 123—1831 BRILLIANT PROOF** altho not quite as choice as the above. With unc. specimens cataloging (stand—prices compiled a year ago in May 1957) \$135 this proof should bring at least..... 225.00
- 124—1834 NEW TYPE, Reduced Size, No Motto, PROOF WITH HIGH "SQUARE" BORDERS,** not in full luster. **SCARCE.** Records to..... 100.00
- 125—1835 PROOF WITH ORANGE TINT, HIGH "SQUARE" BORDER. VERY RARE.** 250.00
- 126—1836 Very fine. Catalogs (stand.)**..... 15.00
- 127—1838 Extremely fine, tiny nick. Catalogs unc.**..... 25.00
- 128—1838-C with mint mark "C" over an original "C" which was cut too low, very fine. FIRST YEAR OF CHARLOTTE (NORTH CAROLINA where a "gold strike" warranted the opening of a branch mint to coin gold mined nearby). Reverse possibly closer to fine. ONLY 7,908 ISSUED.** While the standard catalog lists only "1838-C" at \$65; this one has records closer to..... 100.00
- 129—1839-C OVER 38, uncirculated with some patina, pinpoint edge nick. RARE. In demand for "TYPE WITH MINT MARK ON OBERSE" (as is the 1838-C also). The specimen in our February sale brought \$120; this one should now bring over**..... 130.00

<p>176—1861 PERFECT BRILLIANT PROOF. A MAGNIFICENT SPECIMAN OF THIS GREAT RARITY. THE AMOUNT ISSUED IS NOT STATED IN THE CATALOG. THE 1865 IS LISTED AS 25 ISSUED; WE BELIEVE THAT NOT MORE THAN 10 TO 15 PROOFS OF THIS DATE WERE ISSUED. OF THESE, ONLY A FEW CAN STILL REMAIN IN EXISTENCE NEARLY 100 YEARS LATER. WHILE AN EQUAL SPECIMAN MAY EXIST (EVEN THO WE CANNOT RECALL HEARING OF ANY) CERTAINLY NO SUPERIOR ONE CAN. Why the standard catalog lists this rare date in proof at only \$225 compared to the 1865 at \$350 of which more proofs were issued, we cannot understand. PIONEER & TERRITORIAL GOLD

BECHTLERS: A private mint operated by Christopher Bechtler and his son, August, and later by C. Bechtler Jr. (nephew of the elder C. Bechtler) from 1830-1852 to coin the gold mined in Rutherford county, N.C. This county was the principal source of gold for the U.S. from 1790 to 1840. The reason for the variance in the weight of the coins was due to the varying amount of foreign metal in the coins.

309—\$1 C. BECHTLER, 28 GR., NO STAR, MAGNIFICENT PROOF- LIKE SPECIMAN. BY FAR THE CHOICEST SPECIMAN OF THIS RARITY THAT WE HAVE SEEN OR KNOW OF. THE LAST SPECIMAN TO APPEAR IN OUR SALES WAS EX- TREMELY FINE AND BROUGHT \$400; THIS GEM SHOULD EASILY BE WORTH	\$1000.00
---	------------------

310—\$5 C. BECHTLER, 140 GR., RUTHERFORD, date AUGUST 1, 1834 (to conform to the new weight of U.S. gold coins) very fine. RARE. Records over	175.00
--	---------------

311—\$1 A. BECHTLER, Prooflike with orange patina, tiny nick. Records to	75.00
312—MOFFAT & CO., while the issue was large, many were redeemed since they were the only California private mint to redeem its coins after 1850. \$5 1849 (ONE OF THE FIRST GOLD COINS TO BE ISSUED IN CALIFORNIA) turned reverse, very nearly uncirculated. RARE SO CHOICE.	125.00
313—\$5 1850 Very nearly uncirculated. RARE SO CHOICE. While this specimen is yellow gold, the above is orange. Make an interesting pair.	100.00
314—\$20 1853 Extremely fine. SCARCE. The standard catalog lists this at \$150 for very fine; certainly this choice specimen should be worth at least	225.00
315—AUGUSTUS HUMBERT, United States Assayer of Gold, California \$10 1852 extremely fine and sharp. Rare so choice. Catalogs \$150 in standard catalog in only very fine; certainly this choice specimen is worth over	225.00

318—KELLOGG & CO., these coins were issued to fill the need in 1854-55 when the U.S. Assay Office ceased operations at the end of 1853. \$20 1855 Turned reverse, very fine. SCARCE.	225.00

320—MORMON GOLD—instigated and personally supervised mint by Brigham Young. \$2½ 1849, obverse Eye of Providence and bishop's mitre, reverse clasped hands, very fine and superior to most specimens we have seen. Since the obverse die always comes buckled the least amount of wear makes the lettering below the eye difficult to see. This choice specimen shows nearly all the lettering sharp. Judging from how seldom the \$2½ is offered, we believe it is at least FIVE TIMES AS RARE AS THE \$5. Should easily be worth	350.00

HALF DIMES

In the last two years, a strong demand has developed for this long neglected series. They have advanced steadily, some even dramatically due to the small supply in existence today. Unlike the large coins, these small thin coins circulated extensively and were not hoarded to any extent. This no doubt accounts for their

rarity in choice condition. Judging from auction records of the last year, many should show marked increases in the new 1959 guidebook coming out in June.

344—1792 TYPE I, BUST MARTHA WASHINGTON with "LIB. PAR. OF SCIENCE & INDUSTRY" around bust, reverse outspread eagle with "UNI. STATES OF AMERICA" and "***" around and "HALF DISME" below. A beautiful sharply struck specimen showing only the barest friction. Far superior to the holed or badly worn specimen usually encountered. Should be worth at least\$ 750.00

345—1794 TYPE II, LIBERTY HEAD with FLOWING HAIR, LARGER EAGLE, denomination omitted, 15 stars for states, fine altho the reverse is actually very fine. RARE. 85.00

346—1795 Extremely fine with pleasing blue patina. RARE. Record for unc. of 125.00

347—1796 OVER 5, TYPE III, HAIR IN KNOT, SMALLER EAGLE, PROOFLIKE GEM WITH BLUE AND GOLDEN PATINA. The guidebook lists "unc." at \$400 but the standard catalog omits the value of this rarity and instead says "Very Rare." Records over two years ago of \$600; this remarkable specimen should now bring closer to\$ 750.00

348—1796 "LIKERTY" VARIETY LISTED BUT NOT PRICED IN GUIDEBOOK, fine and sharp, minor nick or two. THE FIRST SPECIMAN TO APPEAR IN ALL OUR 218 SALES. May be as rare as the 1802 which lists at\$ 500.00

349—1797 15 Stars, a beautiful blue PROOFLIKE specimen with characteristic crudeness of eagle as on all genuine specimens we have seen. THE CHOICEST SPECIMAN WE CAN RECALL CATALOGING IN OUR 218 SALES. The equal if not the superior to the specimens which we have seen bring \$250 to \$300 a year and two ago. This gem should now bring closer to 350.00

350—1797 TYPE IV, 16 STARS (Tennessee admitted to Union) Uncirculated with a lovely blue patina, sharply struck with characteristic crudeness of eagle as on all genuine specimens we have seen, two very minute planchet imperfections on edge as issued, interesting die breaks in right obverse field. THE CHOICEST SPECIMAN WE CAN RECALL CATALOGING IN ALL OUR 218 SALES. In great demand as a "type" coin. Should bring at least \$350 in this remarkable condition and possibly\$ 400.00

351—1800 TYPE VI, LARGE HERALDIC EAGLE, fine obverse, very fine reverse. RARE. Catalogs (stand.) fine \$40; this one worth at least 50.00

HALF DIMES (Continued)

352—1800 LIBERTY, BRILLIANT UNCIRCULATED GEM. A MAGNIFICENT SPECIMAN OF GREATEST RARITY SO SHARPLY STRUCK AND CHOICE, characteristic flatness in last cloud and tip of eagle's wing. With old records well over 200, this GEM SHOULD BRING AT LEAST\$ 350.00

353—1801 Very fine, die break in right obverse field. RARE. 100.00

354—1802 ½ Real which probably circulated at the time in the U.S. as a halfdime, v.f. In great demand as a "space filler" for the very rare 1802 halfdime.

355—1803 Just about very fine. RARE. 100.00

356—1805 UNCIRCULATED WITH BLuish GOLDEN PATINA, characteristic weakness in last cloud and tip of eagle's wing and point of bust. DUE TO ITS EXTREME RARITY IN THIS STATE OF PRESERVATION, IT IS NOT LISTED IN BETTER THAN FINE CONDITION IN THE CATALOG. Using a comparative ratio of values, this rarity should bring at least.....\$ 600.00

DIMES

We note a steady advance in values from year to year with choice specimens many times bringing "runaway prices" when available in auctions. Unlike the 50c and \$1, which were hoarded, the smaller coins were "spent". This accounts for their much greater rarity, particularly in choice condition.

462—1796 TYPE I, HAIR IN KNOT, 15 STARS (STATES) SMALL EAGLE, good to very good obverse with fine date, fair reverse being mostly legible. RARE. In great demand for type.	60.00
---	-------

463—1797 TYPE II, 16 STARS (Tennessee admitted to the Union) a beautiful nearly UNCIRCULATED specimen. VERY RARE SO CHOICE. In fact, one of the choicest specimens we can recall handling. We note the standard catalog (prices compiled a year ago May 1957) lists this rare date at \$50 good, \$125 fine and \$225 v.f. but does not list it in choicer condition due to its rarity. Using the same ratio of values for the upper grades, we arrive at a minimum value for this choice rarity of	550.00
--	--------

464—1797 TYPE III, 13 STARS (type standardized at 13 stars when it was seen how impractical it would be to add a new star for each new state) very nearly UNCIRCULATED. A beautiful companion to the above. VERY RARE SO CHOICE. Of almost equal rarity as the above. Catalog in standard catalog at \$45 good; \$100 fine and \$200 v.f. Using the same ratio of values for the upper grades, we arrive at a minimum value for this choice rarity of	500.00
--	--------

465—1798 OVER 97, TYPE IV, 16 STARS ON REVERSE, very fine, struck on an unpolished planchet giving it a granular appearance. RARE. Records over	100.00
---	--------

466—1798 OVER 97, TYPE V, 13 STARS ON REVERSE, extremely fine with some patina and luster. SO RARE THAT IT ISN'T PRICED IN EITHER THE GUIDEBOOK OR STANDARD CATALOG (WHICH SAYS "EX. RARE" INSTEAD). POSSIBLY NOT MORE THAN 4 OR 5 SPECIMENS KNOWN AS IT WAS MISSING IN PRACTICALLY ALL THE "NAME COLLECTIONS" WHICH HAVE COME UPON THE MARKET. AS RARE AS THE 1894-S WHICH CATALOGS\$3,000.00

467—1798 LARGE DATE, Brilliant Uncirculated. MAGNIFICENT SPECIMEN WITH FULL MINT LUSTER. EXCEEDINGLY RARE IN THIS STATE OF PRESERVATION. Of far greater rarity thus than the choice 1796 in the Empire sale in November which brought\$ 540.00

- 468—1800 LARGE A's, very nearly uncirculated, pinpoint edge nick. According to the editor of the standard catalog, this variety is much rarer than the smaller A's variety. RARE. 250.00**
- 469—1801 Uncirculated with patina, tiny nick. VERY RARE SO CHOICE. Should bring well over 300.00**
- 470—1802 Very good obverse, very fine reverse. RARE. Catalogs (stand) fine \$45 and v.f. 80.00**
- 471—1803 Very fine. RARE. Catalogs (stand) \$85 (prices compiled year ago May 1957) should now be worth closer to..... 125.00**

472—1804 TYPE VI, 14 STAR ERROR REVERSE (top left star partially buried). A beautiful nearly UNCIRCULATED specimen. AS CHOICE A ONE AS WE HAVE SEEN OR KNOW OF. A rare "TYPE COIN" only now beginning to be appreciated for the rarity it is. One of the most undervalued in the entire series. Should easily be worth at least 500.00

- 473—1804 13 Star Reverse (actually same die with top star obliterated) very good and sharp. RARE. Catalogs in guidebook (prices compiled 1½ years ago in February 1957) in fine at 105.00**
- 474—1805 4 Berries on olive branch, uncirculated with golden patina, usual soft strike towards the top. RARE. Records near 100.00**
- 475—1805 5 Berries, extremely fine and sharp. RARE, more so than the catalogs indicate. Well worth 100.00**
- 476—1807 Uncirculated with golden tint, buckled die variety resulting in the left stars and corresponding portion of reverse not being struck up as sharply as the balance of the coin. The Empire specimen last November brought 112.50**
- 477—1809 TYPE VII, HEAD IN CAP, MOTTO ABOVE EAGLE, very nearly uncirculated. RARE. Catalogs (standard) unc. 140.00**
- 478—1811 Over 9, Uncirculated with golden patina, barest trace of friction. RARE. Catalogs (standard) unc. 75.00**
- 479—1814 Large Date, no period after 10C, very nearly uncirculated, sharp. The Empire specimen last November realized 35.00**

HALF DOLLARS

- 1193—1794 TYPE I, FLOWING HAIR, 15 STARS (states) SMALL SPREAD EAGLE, extremely fine. **VERY RARE SO CHOICE.** We have seen specimens only a shade better than this ,not unc.) bring over **750.00**
- 1194—1795 Similar type, extremely fine. SCARCE. Similar specimens have brought over \$150; should now bring between \$175 and 200.00

1195—1796 TYPE III, HAIR IN KNOT, 16 STARS (Tennessee admitted to Union) **SMALLER EAGLE**, very fine. **GREATLY UNDERVALUED IN KEEPING WITH ITS TRUE RARITY.** Twice as rare as the 1796 15 stars variety. The standard catalog recognizes this by listing the fine in italics due to its great rarity. In fact, it is not listed in better than fine condition. This great rarity should be worth at least **\$1500.00**

1196—1797 TYPE II, HAIR IN KNOT 15 STARS, SMALLER EAGLE, "½" BELOW, very fine and sharp. Much choicer than nearly all the specimens we have seen described as very fine within the last five or six years. Evidently this die was started early in 1796 and the date of 1797 was added in 1797. It is the type of the 1796 15 stars. **VERY RARE. IN GREAT DEMAND FOR "TYPE."** Records for specimens not as choice over **\$1100.00**

- 1197—1801 TYPE IV, LARGE HERALDIC EAGLE, very good. SCARCE.
Cat. (standard) fine. 60.00
- 1198—1802 **Fine and sharp. SCARCE. Catalogs (stand.)** **50.00**
- 1199—1803 Large 3, very fine and sharp. 30.00
- 1200—1805 **Very nearly uncirculated. Catalogs unc.** **55.00**

1201—1805 OVER 4, EXCEEDINGLY RARE SHATTERED DIE VARIETY (as pictured in guidebook). The editor of the standard catalog says this die is either a high rarity 7 (6 or 7 specimens) or a rarity 8 (3 or 4 specimens). A beautiful nearly uncirculated example of this great rarity which will probably be listed in the standard catalog in time. Should be worth \$750 in keeping with its rarity and choiceness but until it is recognized for the rarity it is, it will probably bring closer to\$ 500.00

TRADE DOLLARS

Made for use in the orient and containing more silver than the regular U. S. \$1 (420 grains compared to 412½ for regular) . Thru an oversight in the law, they were also legal tender in the U. S. resulting in two different silver dollars being legal tender simultaneously! After issuing them from 1873-1878 the government abandoned the attempt and redeemed and remelted them (1879-

1885 struck only for collectors). Actually, the government issuing figures is no criterion as to their rarity due to so many being melted. Many of those remaining in existence have Chinese chopmarks (attesting to their full weight). We believe that this issue is somewhat undervalued in keeping with its true rarity. Now that it is increasing in popularity, many have started to rapidly advance in value.
